

## CHECC Policy For Coaches

The purpose of this policy is to establish expectations for CHECC coaches.

1. Coaching Requirements:

The age requirement for coaching is 21 years old.

Men will coach boy's teams and women will coach girl's teams; the exception would be a clinic or special event.

Must be current CHECC members and have children involved in CHECC unless approved by the board.

Must be a known Christian of Biblical character as per written testimony on Coaching Application.

Must agree with the CHECC Statement of Faith in all aspects.

Must be actively worshipping in an evangelical body as indicated on the Coach Application.

Must not have any felonies.

2. Potential coaches must submit an annual coach's application for review.

3. Coaches must agree to, abide by, and be willing to enforce the CHECC policy for sports according to the Sports Booklet.

4. It is the responsibility of the coaches to encourage each player to play to the best of their ability, ensure that 2 adults are present during any individual instructions with students, be respectful of authority, have a Christ-like attitude, and be an example of good character as described in the Sports Booklet. Coaches will be equipped with everything needed, to include a Sports Booklet, CHECC Policy For Coaches, sport rulebooks, and all equipment to perform their coaching duties. The desire is to bring the best they have from their own personality to benefit the team.

5. It is the Sports Directors responsibility to ensure that all CHECC policies are enforced.

6. The Sports Director will select coaches based upon the CHECC Policy For Coaches listed above.

7. Chain of Command:

The CHECC coaches are under the authority of the Sports Director. The Sports Director is accountable to the High School Coordinator and ultimately to the CHECC Board.

I agree to the above statements for the CHECC Policy for Coaches and the Sports Booklet policies.
